www.youtube.com/tinaandtin

The left panel features a blue background with radiating lines and musical notes. At the top is the 'Tina & Tin' logo. Below it is an illustration of a girl with purple hair and a boy with orange hair painting a green plant. At the bottom are social media icons for Facebook, Twitter, and YouTube with their respective URLs.

Tina & Tin[®]

Sing your songs

The right panel features a blue background with radiating lines, musical notes, and a yellow heart. Inside the heart are two cartoon worms: a pink and white striped one with a purple bow (Tina) and a green and white striped one with orange antennae (Tin). Below the heart is the 'Tina & Tin' logo and the text 'Sing your songs' in a blue-outlined font. At the bottom is a yellow rounded rectangle with a green star on the left and musical notes on the right.

Dancing With The Broom

Please welcome the amazing _____!
With the greatest show of all time!

_____ is dancing with the broom
A-shaking and a-moving like it's rock and roll
Dancing, dancing with the broom
A-shaking and a-moving like we rock

A Little step, and a big hop,
first slow and then you hurry
turn around, and to the ground,
we're all grooving to the sound
everybody jump and get down

Clap your hands and shake your head now
One step forward, one step back
Now we're Yelling, now we're singing
everybody spinning everybody spinning

_____ is dancing with the broom
A-shaking and a-moving like it's rock and roll
Dancing, dancing with the broom
A-shaking and a-moving like we rock

Now we stand still, like we're frozen
Moving like a penguin as we shuffle side to side
Try to do the same, keep groovin' on
Sing along with me it's so much fun

Little Star

_____ did you see it?
A shooting star
Close your eyes and make a wish
Do you have one?
Now don't tell it to anybody
It'll be our special secret

Little star up there in the sky
I have something to tell you,
never lose your shine
Little star I wanna be your friend
If we sing songs together
Your light will never end

Please hold me in the evening
I'll see you in my dreams
Stay until the light is shining bright
Little star in the evening,
little star everyday
Always light my way

We'll play hide and seek,
we'll play a lot of games
I'll take you in my pocket everywhere I go
We'll be best friends forever,
together for a lifetime
We'll shine, for always, you and I

Now it's bedtime, Little star,
please watch over me

My Castle

_____ The Great
lives in a magic kingdom
A wonderful place where all your
dreams come true

It's easy to find the way to my kingdom
Just look for a rainbow
Take a ride on the highway of colors
And I'm sure you'll find me there
When you open the gate you'll see
A dancing and singing turtle
A little bear eating marshmallows
Waving and smiling at you

I'm gonna dream, I'm gonna dream
This is my castle, this is where i wanna live
I'm gonna dream, I'm gonna dream
This is my kingdom,
why don't you play here with me

Legend has it that in this castle
There is a hiddden treasure
And if you can keep a secret
I can give you a clue

There's a recipe for happiness
When you feel sad and lonely
The biggest treasure in life
It's to have a friend like you

The Musical Notes

_____ Do you like music?
And did you know that songs hide a big secret?
Let me tell you about it

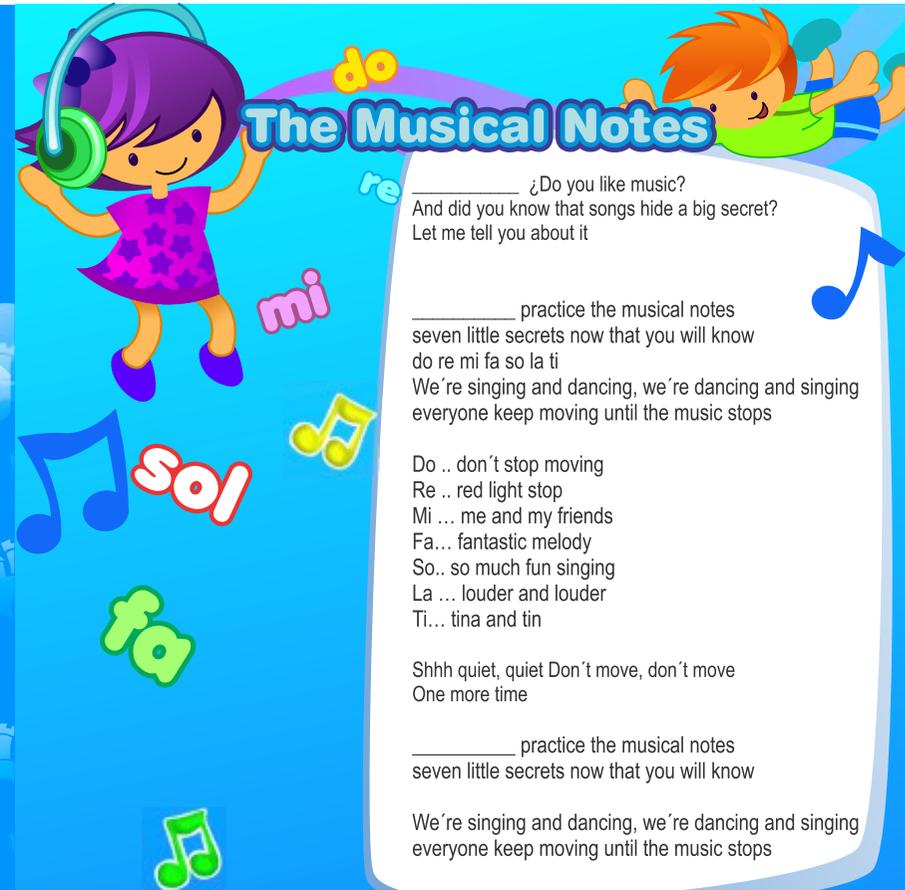

_____ practice the musical notes
seven little secrets now that you will know
do re mi fa so la ti
We're singing and dancing, we're dancing and singing
everyone keep moving until the music stops

Do .. don't stop moving
Re .. red light stop
Mi ... me and my friends
Fa... fantastic melody
So.. so much fun singing
La ... louder and louder
Ti... tina and tin

Shhh quiet, quiet Don't move, don't move
One more time

_____ practice the musical notes
seven little secrets now that you will know

We're singing and dancing, we're dancing and singing
everyone keep moving until the music stops

Faster I Go Faster

Faster I go faster, everywhere I go
nobody can catch me when I run
and everyday my friends, wanna have fun
and they say _____ you're the one

Running, riding, dreaming, laughing,
fun will never stop
Running, riding, dreaming, laughing,
fun will never stop

Faster I go faster, I'm always on top
my bicycle will take me to the sun
everybody sees me, nobody can catch me
and they say _____ you're the one

Faster I go faster, faster I go faster
Faster I go faster, fun will never stop

Backyard Friends

Why don't we go out and see
The world that's hiding in your own backyard
Adventures are never that far
Say hello to Mrs Spider, Mr Cricket
Friendship will never end
_____ meet your backyard friends

la la la la uoh uoh uoh
_____ meet your backyard friends

Look a spider's weaving a new home up in the tree
Spinning up her web, she keeps it nice and clean
And underneath those leaves, an army of ants!
Marching one by one, they are doing their dance

Now let me introduce you to Mr Grasshopper
Our number one jumper, hop-hopping around,
And then there's Mr Caterpillar hanging off a leaf
tomorrow he will be a butterfly

We might be small, but we have a lot of fun
Friendship never ends when you are playing
with your little backyard friends

The Mirror Game

Do you want to play, to play the mirror game
Everything I do, you will do the same

Now _____ says, let's jump like crickets
everybody jumping, jumping like crickets
And now we move our hands like playing a guitar
Everybody playing, playing a guitar

Pretend you're a pirate, sailing on a ship
Searching for treasure, we're going on a trip
Look! a wave is coming, everybody swim

Now _____ says howl like a wolf
Hou hou howl like a wolf
Lets close our eyes, we all fall asleep
Shhh

I'm An Astronaut

Extra extra breaking news
A new planet has been discovered
we have a connection with our explorer right now...

Ground control do you read
I just landed on a brand new planet
Testing on the ground, look at what I've found

I see comets, I see critters, things you can't imagine
vroom vroom vroom vroom roars the engine

We're flying intergalactic
I'm _____ I'm the astronaut
flying through the universe, you all know who I am
I'm an astronaut, I'm an astronaut

Ground control, do you read
Setting course back home to earth
starting up the spaceship, ready to take orbit

Ladies and gentleman all aboard for take off
Destination planet earth
vroom vroom vroom vroom roars the engine

We're flying intergalactic
I'm _____ I'm the astronaut
flying through the universe, you all know who I am
I'm an astronaut, I'm an astronaut

Super Party

Come to my party we will have so much fun
Come to my party , all my good friends will come
Opening the present; seeing all my best friends
Time to dance time to sing, now let all the fun begin

Today, is a really special day
We gonna celebrate, _____'s birthday
We will play a lot of games, we gonna sing and dance
it's gonna be a super party

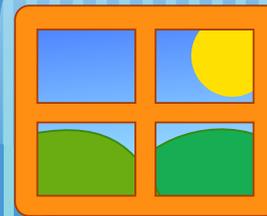

We are gonna blow the candles
Then it's time to eat some cake

Come to my party we will have so much fun
Come to my party , all my good friends will come
Opening the present; seeing all my best friends
Time to dance time to sing, now let all the fun begin

Today, is a really special day
We gonna celebrate, _____'s birthday
We will play a lot of games, we gonna sing and dance
it's gonna be a super party

Time To Wake Up

Time to jump out of bed
the sun is up
and a full day of fun is waiting for you

Little soldiers it's time to wake up
We have a mission, so stand tall
First we take a shower and eat a yummy breakfast
And at school the best is yet to come

_____ why don't you wake up?
What are you doing still under the sheets?

Little soldiers it's time to wake up
ysLook out the window there 's a shining sun
Your friends are all waiting,
with a bunch of fun games
Ready for the action, the show has just begun

Hold on, hold on, hold on
this song is not working!
Looks like somebody is still in bed!
Let's try it again!

_____, we're going to sing it louder!

Now it's the time, time to wake up
Now it's the time, time to wake up
